I would also solicit Government sanction to the entertainment for the use of the Municipality and of the Plague Department, of 7 bicycle orderlies the cost of which will be approximately the pay of the 7 orderlies at Rs 7/- a month and the purchase of the bicycles at about Rs 175/- each. I would also request that the rooms

in

in the District Offices lately left

the Sessions Court. may be
placed at Mr. Leonard's
disposal for use as his plague

I understand that Govern-
ment has already been pleased
to sanction the entertainment
of Messrs Coopaswami Naidoo

employment as Assistants

for plague work, each officer
to be in charge of a ward of the
town and responsible for the

Execution

Inspection in his Ward & all orders connected with Plague work issued by the President under the Regulations applying to the cities of Bangalore and Mysore. I have since ascertained that Mr. Annaji Rao is not prepared to take up Plague work. I would propose that Mr. B. Gangiah may be appointed a Ward Officer. He is qualified for this work both by his social position and his influence among the people. He has already rendered valuable service as Superintendent and Municipal Commissioner.

These proposals are:-

1. The Officer whom I

whom I would suggest as well fitted for the work is Mr Bowring Whose services for this work I could ask Government to be so good as to place at my disposal forthwith.

I would also request Government to move the Resident to address the Railway Authorities and to issue the notifications necessary to constitute Bangalore, Yaswantpur and Mysore, medical inspection Stations for trains leaving Bangalore, Mysore and Nanjangud, Harihar and Dodkurgode, so that passengers from Bangalore to stations in the Province along those lines of rail may be subjected to medical inspection and placed under Police Escort to their places of destination.
